- The dates highlighted in yellow are on/near a full moon.
- We may visit some local establishments after hikes where one is available nearby, but when one is not available shufflers are encouraged to bring their own chair, beverage, and/or snacks to enjoy after each outing. Some places have an option for a warming fire.
- All hikes are on public land. Most will last about an hour and cover approx. 2 miles. We will always have a designated 'sweep', so everyone can slog at their own pace.
- Invite your family, friends, colleagues, neighbors. Friendly children and dogs are welcome. Please consider leashing anything that is inclined to wander off in the dark.
- Please contact me with any questions, suggestions, or if you would like to lead a hike.
